## GRAND COULEE POWER OFFICE APPRENTICESHIP

### INTRODUCTORY STATEMENT

The director of the Department of Labor and Industries appointed the Washington State Apprenticeship and Training Council (WSATC) as the regulatory body responsible for developing, administering, and enforcing apprenticeship program standards (Standards) for the operation and success of apprenticeship and training programs in the State of Washington. Apprenticeship program sponsors function, administer, or relinquish authority only with the consent of the WSATC. Furthermore, only apprentices registered with the supervisor or recognized under the terms and conditions of a reciprocal agreement will be recognized by the WSATC. Parties signatory to these standards of apprenticeship declare their purpose and policy is to establish and sponsor an organized system of registered apprenticeship training and education.

These Standards are in conformity and are to be used in conjunction with the Apprenticeship Rules, chapter 296-05 WAC (Washington Administrative Code); Apprenticeship Act, chapter 49.04 RCW (Revised Code of Washington); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which govern employment and training in apprenticeable occupations. They are part of this apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship. Additional information may need to be maintained by the program sponsor that is supplemental to these apprenticeship standards. This information is for purposes of ensuring compliance with decisions of the WSATC and the apprenticeship laws identified above.

If approved by the council, such amendment/s and such changes as adopted by the council shall be binding to all parties. Program sponsors shall notify apprentices and employer training agents (if applicable) of changes when they are adopted by the council. If and when any part of these Standards becomes illegal, as pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Department of Labor and Industries (Department) may adopt language that will conform to applicable law. The remainder of the Standards will remain in full force and effect.

Sections of these standards identified as bold “insert text” fields are specific to the individual program standards and may be modified by a sponsor submitting a revised standard for approval by the WSATC. All other sections of the standards are boilerplate and may only be modified by the WSATC.

See WAC 296-05-003 for the definitions necessary for use with these Standards.

Sponsor Introductory Statement (Optional):

**These Apprenticeship Standards have as their objective, the training of Power Systems Control Craftsmen and Hydro Mechanics skilled in all phases of the trade. The Grand Coulee Power Office recognizes that in order to accomplish this, there must be well-developed on-the-job learning combined with related instruction.**

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

**This recognition has resulted in the development of these Apprenticeship Standards. They were developed in accordance with the basic standards recommended by the Washington State Department of Labor, Apprenticeship Section, as a basis from which Joint Apprenticeship Committee can work with the Grand Coulee Power Office to establish an apprenticeship training program that meets the particular needs of these trades.**

### **I. GEOGRAPHIC AREA COVERED:**

The sponsor has no authority to conduct training outside of the geographical area covered by these Standards. The sponsor may enter into an agreement [portability agreements – see WAC 296-05-303(4) (g)] with other sponsors for the use of apprentices by training agents that are working outside of their approved geographic area. Also, the WSATC may recognize and approve out-of-state apprenticeship programs and standards if certain conditions are met and the out-of-state sponsoring entity requests it (see WAC 296-05-327). Apprenticeship program sponsors will ensure compliance with the provisions of any agreement recognized by the WSATC.

**The area covered by these Standards shall be the entire operation area of the Grand Coulee Dam in Grand Coulee, Washington; and the Hungry Horse Dam and Powerplant, in Hungry Horse, Montana.**

**These are areas under the operational control of The United State Department of the Interior, Bureau of Reclamation.**

**Applicants and apprentices please note that while the State of Washington has no responsibility or authority in the State of Montana, the JATC will apply the same standards and guidelines to apprentices registered in the program while working there.**

### **II. MINIMUM QUALIFICATIONS:**

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner [see WAC 296-05-316(17)].

Age: **18 years minimum.**

Education: **High School graduate or the equivalent.**

Physical: **Must have the ability to perform the work of the trade.**

Testing: **Must exceed minimum passing score on OPM's Wage Grade Performance Potential Assessment.**

Other: **Must be a U.S. Citizen.**

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

### **III. CONDUCT OF PROGRAM UNDER WASHINGTON EQUAL EMPLOYMENT OPPORTUNITY PLAN:**

Sponsors with five (5) or more apprentices must adopt an Equal Employment Opportunity (EEO) Plan and Selection Procedures (see Part D of chapter 296-05 WAC and 29 CFR Part 30).

The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, creed, national origin, age, sexual orientation, marital status, veteran or military status, the presence of a disability or any other characteristic protected by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Washington State Apprenticeship and Training Council (chapter 296-05 WAC) and Title 29, Part 30 of the Code of Federal Regulations.

#### **A. Selection Procedures:**

**Exempt per WAC 296-05-405(1) (b), per Board of Commissioner Rules.**

#### **B. Equal Employment Opportunity Plan:**

**Exempt per WAC 296-05-405(1) (b), per Board of Commissioner Rules.**

#### **Discrimination Complaints.**

Any apprentice or applicant for apprenticeship who believes they have been discriminated against may file a complaint (WAC 296-05-443).

### **IV. TERM OF APPRENTICESHIP:**

The minimum term of apprenticeship must not be less than 2000 hours of reasonably continuous employment in each occupation identified in these Standards. The term of apprenticeship must be stated in hours of employment [WAC 296-05-316(1)].

#### **A. The term of apprenticeship shall be 8000 hours of reasonably continuous employment for:**

- 1. Hydro Mechanic**
- 2. Power System Control Craftsman**

### **V. INITIAL PROBATIONARY PERIOD:**

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

All apprentices are subject to an initial probationary period, stated in hours or months of employment for which they receive full credit toward completion of apprenticeship. Advance credit/standing will not reduce the initial probationary period. The initial probationary period [WAC 296-05-316(22)]:

1. Is the period following the apprentice's registration into the program and during which the apprentice's appeal rights are impaired. The initial probation must not exceed twenty percent (20%) of the term of apprenticeship or one year from date of registration, unless an exemption by the WSATC has been granted for longer probationary periods as specified by Civil Service or law.
  2. Is the period that the WSATC or the supervisor of apprenticeship may terminate an apprenticeship agreement at the written request by any affected party. The sponsor or the apprentice of the apprenticeship agreement may terminate the agreement without a hearing or stated cause. An appeal process is available to apprentices who have completed the initial probationary period.
- A. All apprentices employed in accordance with these Standards (8000 hours) shall be subject to an initial probationary period not exceeding the first 1600 hours of employment.**

### **VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS:**

Supervision is the necessary education, assistance, and control provided by a journey-level employee that is on the same job site at least seventy-five percent of each working day, unless otherwise approved by the WSATC. The sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. Apprentices will work the same hours as journey-level workers, EXCEPT where such hours may interfere with related/supplemental instruction [WAC 296-05-316(5)].

**There shall not be more than one (1) apprentice to one (1) journey-level worker within the workforce.**

### **VII. APPRENTICE WAGES AND WAGE PROGRESSION:**

The apprentice will be paid a progressively increasing schedule of wages based on specified percentages of journey-level wage consistent with skills acquired [WAC 296-05-316(27)]. These may be indicated in hours or monthly periods set by the sponsor. The entry wage will not be less than the minimum wage prescribed by the Fair Labor Standards Act, where applicable, unless a higher wage is required by other applicable federal law, state law, respective regulations, or by collective bargaining agreement.

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

The sponsor may accelerate, by an evaluation process, the advancement of apprentices who demonstrate abilities and mastery of the occupation to the level for which they are qualified. When the apprentice is granted advanced standing the sponsor must notify the employer/training agent of the appropriate wage per the wage progression schedule specified in these Standards.

**If the Apprentice starts at a wage rate above the beginning step, the Apprentice will not be promoted to their next step until they have fulfilled the requirements for that step.**

### **A. For Power System Control Craftsman and Hydro Mechanic**

Step	Number of hours/months	Percentage of journey-level rate
<b>1</b>	<b>0000 – 1000 hours</b>	<b>60%</b>
<b>2</b>	<b>1001 – 2000 hours</b>	<b>65%</b>

<b>8</b>	<b>7001 - 8000 hours</b>	<b>95%</b>

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

### **VIII. WORK PROCESSES:**

The apprentice shall receive on the job instruction and experience as is necessary to become a qualified journey-level worker versed in the theory and practice of the occupation covered by these Standards. The following is a condensed schedule of work experience, which every apprentice shall follow as closely as conditions will permit.

Employers/training agents shall only use registered apprentices to perform the work processes as stated in this section. [WAC 296-05-303(5) (f)]

### **IX. RELATED/SUPPLEMENTAL INSTRUCTION:**

The apprentice must attend related/supplemental instruction (RSI). Time spent in related/supplemental instruction shall not be considered as hours of work and the apprentice is not required to be paid for time spent in related/supplemental instruction.

The sponsor and training agent must provide for instruction of the apprentice during the related/supplemental instruction in safe and healthful work practices in compliance with the Washington Industrial Safety and Health Act, and applicable federal and state regulations.

Clock hours of actual attendance by the apprentice in related/supplemental instruction classes at the community/technical college or other approved training locations shall be reported to the Department on a quarterly basis. Such reports will clearly identify paid versus unpaid and supervised versus unsupervised RSI time for industrial insurance purposes.

For industrial insurance purposes, the WSATC will be considered as the employer should any supervised apprentice, not being paid to attend RSI, sustain an injury while participating in related/supplemental classroom activity, or other directly related activity outside the classroom. The activities must be at the direction of the instructor.

In case of failure on the part of any apprentice to fulfill the obligation to attend RSI, the sponsor has authority to take disciplinary action (see Administrative/Disciplinary Procedures section).

The methods of related/supplemental training must consist of one or more of the following (please indicate by checking those that apply):

- ☒ Supervised field trips
- ☐ Approved training seminars (specify)
- ☒ A combination of home study and approved correspondence courses (specify):  
**BSC National Energy Center of Excellence**
- ☒ State Community/Technical College
- ☒ Private Technical/Vocational College
- ☐ Training trust
- ☒ Other (specify): **Other classes and schools as approved by the Committee**

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

Minimum RSI hours per year defined per the following (see WAC 296-05-316(6)):

**307.5 hours per year for Hydro Mechanic**

**382.4 hours per year for Power System Control Craftsman.**

- (X) twelve-month period from date of registration.\*
- ( ) defined twelve-month school year: (insert month) through (insert month).
- ( ) two-thousand hours of on the job training.

*\*If no selection is indicated above, the WSATC will define RSI hours per twelve-month period from date of registration.*

Additional Information:

**Hydro Mechanic Apprentices will receive a total of 1,230 hours over the course of their apprenticeship.**

**Power system Control Craftsman apprentices will receive a total of 1,530 hours over the course of their apprenticeship.**

**Apprentices can be directed to take additional RSI hours by the Committee as needed.**

### **X. ADMINISTRATIVE/DISCIPLINARY PROCEDURES:**

Sponsors may include in this section requirements and expectations of the apprentices and training agents and an explanation of disciplinary actions that may be imposed for noncompliance. The sponsor has the following disciplinary procedures that they may impose: Disciplinary Probation, Suspension, or Cancellation.

Disciplinary Probation: A time assessed when the apprentice's progress is not satisfactory. During this time the program sponsor may withhold periodic wage advancements, suspend or cancel the apprenticeship agreement, or take further disciplinary action. A disciplinary probation may only be assessed after the initial probation is completed. During the disciplinary probation, the apprentice has the right to file an appeal of the sponsor's action with the WSATC (as described in WAC 296-05-009).

Suspension: A suspension is a temporary interruption in progress of an individual's apprenticeship program that may result in the cancellation of the Apprenticeship Agreement. Could include temporarily not being allowed to work, go to school or take part in any activity related to the Apprenticeship Program until such time as the sponsor takes further action.

Cancellation: Refers to the termination of an apprenticeship agreement at the request of the apprentice, supervisor, or sponsor. [as described in WAC 296-05-316(22)].

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

### **A. General Procedures**

#### **1. CONTINUED SERVICE AGREEMENT**

- a. Apprentices assigned to training will sign a continued service agreement prior assignment to training. The apprentice must continue in the service of the government equal to three times the length of the apprentice training period. Failure to continue in service may result in recovery of training costs, except pay or other compensation, if the employee voluntarily separates from Government service.**
- b. In the event the employer is unable to fulfill its obligation under the apprenticeship agreement, the apprentice may be transferred to another Government employer operating the same program.**
- c. Such transfers are subject to the consent of the apprentice and of the Grand Coulee Power Office. The apprentice must receive credit from the new Government employer for the training already satisfactorily completed.**

#### **2. RESPONSIBILITIES OF THE APPRENTICE**

**Apprentices, having read these Standards and signed an Apprenticeship Agreement with, agree to all the terms and conditions contained therein and agree to abide by the JAC rules and policies, including any amendments, serve such time, perform such manual training, and study such subjects as the Committee may deem necessary to become a skilled journeyman.**

**In signing the Apprenticeship Agreement, apprentices assume the following responsibilities and obligations under the apprenticeship program:**

- a. Perform diligently and faithfully the work of the occupation and other pertinent duties assigned by the JAC and the employer in accordance with the provisions of these Standards.**
- b. Respect the property of the employer and abide by the working rules and regulations of the employer, union and the JAC.**
- c. Attend and satisfactorily complete the required hours in the OJL and in related instruction in subjects related to the occupation as provided under these Standards.**
- d. Maintain and make available such records of work experience and training received on the job and in related instruction as may be required by the JAC.**

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

- e. Develop and practice safe working habits and work in such a manner as to assure his/her personal safety and that of other workers.**
- f. Work for the employer to whom the apprentice is assigned for the completion of apprenticeship, unless reassigned to another employer or the Apprenticeship Agreement is terminated by the JAC.**
- g. The apprentice will be provided with a copy of the written rules and policies and will sign an acknowledgment receipt of same. This procedure will be followed whenever revisions or modifications are made to the rules and policies**

### **B. Local Apprenticeship Committee Policies**

**NONE**

### **C. Complaint and Appeal Procedures:**

All registered programs must establish procedures explaining the program's complaint review process. Complaints that involve matters covered by a collective bargaining agreement are not subject to the complaint review procedures in this section.

**Complaint** (after initial probation completed) – WAC 296-05-009 and 296-05-316(22)

- Prior to: 20 calendar days of intention of disciplinary action by a sponsor
- Sponsors must notify the apprentice in writing of action to be taken
  - Must specify the reason(s) for discipline, suspension, or cancellation
  - Decision will become effective immediately
  - Written reason(s) for such action must be sent to the apprentice

- Within: 30 calendar days request for reconsideration from the sponsor
- Apprentice to request sponsor to reconsider their action

- Within: 30 calendar days of apprentice's request for reconsideration
- Sponsor must provide written notification of their final decision

**If apprentice chooses to pursue the complaint further:**

- Within: 30 calendar days of final action
- Apprentice must submit the complaint in writing to the Department
  - Must describe the controversy and provide any backup information
  - Apprentice must also provide this information to the local sponsor

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

Within: 30 business days for supervisor to complete investigation

- If no settlement is agreed upon during investigation, then supervisor must issue a written decision resolving the controversy when the investigation is concluded

If the apprentice or sponsor disputes supervisor decision:

Within: 30 calendar days of supervisor's decision, request for WSATC hearing

- Request must be in writing
- Must specify reasons supporting the request
- Request and supporting documents must be given to all parties
- WSATC must conduct the hearing in conjunction with the regular quarterly meeting

Within: 30 calendar days after hearing

- WSATC to issue written decision

### **XI. COMMITTEE – RESPONSIBILITIES AND COMPOSITION**

NOTE: The following is an overview of the requirements associated with administering an apprenticeship committee and/or program. These provisions are to be used with the corresponding RCW and/or WAC.

The sponsor is the policymaking and administrative body responsible for the operation and success of this apprenticeship program. A committee is responsible for the day-to-day operations of the apprenticeship program and they must be knowledgeable in the process of apprenticeship and/or the application of chapter 49.04 RCW and chapter 296-05 WAC. Sponsors must develop procedures for:

#### **A. Committee Operations (WAC 296-05-316): (Not applicable for Plant Programs)**

Convene meetings at least three times per year of the program sponsor and apprenticeship committee attended by a quorum of committee members as defined in the approved Standards. If the committee does not indicate its definition of quorum, the interpretation will be "50% plus 1" of the approved committee members. Conference call meetings may be conducted in lieu of regular meetings but must not exceed the number of attended meetings and no disciplinary action can be taken during conference call meetings.

#### **B. Program Operations (Chapter 296-05 WAC - Part C & D):**

1. The program sponsor will record and maintain records pertaining to the administration of the apprenticeship program and make them available to the WSATC or Department on request.

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

Records required by WAC 296-05-400 through 455 (see Part D of chapter 296-05 WAC) will be maintained for five (5) years; all other records will be maintained for three (3) years.

2. The sponsor will submit to the Department through the assigned state apprenticeship consultant the following list:

Forms are available on line at

<http://www.lni.wa.gov/TradesLicensing/Apprenticeship/FormPub/default.asp> or from your assigned apprenticeship consultant.

- Apprenticeship Agreements – within first 30 days of employment
  - Authorization of Signature forms - as necessary
  - Approved Training Agent Agreements (sponsor approving or canceling) – within 30 days
  - Minutes of Apprenticeship Committee Meetings – within 30 days of meeting (not required for Plant program)
  - Request for Change of Status - Apprenticeship/Training Agreement and Training Agents forms – within 30 days of action by sponsor
  - Journey Level Wage Rate – annually, or whenever changed
  - Request for Revision of Standards - as necessary
  - Request for Revision of Committee - as necessary
  - Related Supplemental Instruction (RSI) Hours Reports (Quarterly):
    - 1st quarter: January through March, by April 10
    - 2nd quarter: April through June, by July 10
    - 3rd quarter: July through September, by October 10
    - 4th quarter: October through December, by January 10
  - On-the-Job Work Hours Reports (bi-annual)
    - 1st half: January through June, by July 30
    - 2nd half: July through December, by January 31
3. The program sponsor will adopt, as necessary, local program rules or policies to administer the apprenticeship program in compliance with these Standards that must be submitted for Department approval and updating these Standards. The apprenticeship program manager may administratively approve requests for revisions in the following areas of the Standards:
    - Program name
    - Sponsor's introductory statement (if applicable)
    - Section III: Conduct of Program Under Washington Equal Employment Opportunity Plan
    - Section VII: Apprentice Wages and Wage Progression
    - Section IX: Related/Supplemental Instruction
    - Section XI: Committee - Responsibilities and Composition (including opening statements)
    - Section XII: Subcommittees
    - Section XIII: Training Director/Coordinator

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

4. The sponsor will utilize competent instructors as defined in WAC 296-05-003 for related/supplemental instruction. Furthermore, the sponsor will ensure each instructor has training in teaching techniques and adult learning styles, which may occur before or within one year after the apprenticeship instructor has started to provide instruction.

### **C. Management of Apprentices:**

1. Each apprentice (and, if under 18 years of age, the parent or guardian) will sign an apprenticeship agreement with the sponsor, who will then register the agreement, with the Department before the apprentice attends the related/supplemental instruction classes, or within the first 30 days of employment as an apprentice. For the purposes of industrial insurance coverage and prevailing wage exemption under RCW 39.12.021, the effective date of registration will be the date the agreement is received by the Department.

The Department must be notified within 30 days of program approval, of all requests for disposition or modification of agreements, with a copy of the minutes approving the changes, which may be:

- Certificate of completion
  - Additional credit
  - Suspension (i.e. military service or other)
  - Reinstatement
  - Cancellation and/or
  - Corrections
2. Rotate apprentices in the various processes of the skilled occupation to ensure the apprentice is trained to be a competent journey-level worker.
  3. Periodically review and evaluate apprentices before advancement to the apprentice's next wage progression period. The evidence of such advancement will be the record of the apprentice's progress on the job and during related/supplemental instruction.
  4. The sponsor has the obligation and responsibility to provide, insofar as possible, continuous employment for all apprentices in the program. The sponsor may arrange to transfer an apprentice from one training agent to another or to another sponsor when the sponsor is unable to provide reasonably continuous employment, or they are unable to provide apprentices the diversity of experience necessary for training and experience in the various work processes as stated in these Standards. The new sponsor or training agent will assume all the terms and conditions of these Standards. If, for any reason, a layoff of an apprentice occurs, the apprenticeship agreement will remain in effect unless canceled by the sponsor.

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

5. An apprentice who is unable to perform the on-the-job portion of apprenticeship training may, if the apprentice so requests and the sponsor approves, participate in related/supplemental instruction, subject to the apprentice obtaining and providing to the sponsor written requested document/s for such participation. However, time spent will not be applied toward the on-the-job portion of apprenticeship training.
6. Hear and adjust all complaints of violations of apprenticeship agreements.
7. Upon successful completion of apprenticeship, as provided in these Standards, and passing the examination that the sponsor may require, the sponsor will recommend that the WSATC award a Certificate of Completion of Apprenticeship. The program will make an official presentation to the apprentice that has successfully completed his/her term of apprenticeship.

### **D. Training Agent Management:**

1. Offer training opportunities on an equal basis to all employers and apprentices. Grant equal treatment and opportunity for all apprentices through reasonable working and training conditions and apply those conditions to all apprentices uniformly. Provide training at a cost equivalent to that incurred by currently participating employers and apprentices. Not require an employer to sign a collective bargaining agreement as a condition of participation.
2. Determine the adequacy of an employer to furnish proper on-the-job training in accordance with the provisions of these Standards. Require all employers requesting approved training agent status to complete an approved training agent agreement and comply with all federal and state apprenticeship laws and the appropriate apprenticeship Standards.
3. Submit approved training agent agreements to the Department with a copy of the agreement and/or the list of approved training agents within thirty days of committee approval. Submit rescinded approved training agent agreements and/or the list of approved training agents to the Department within thirty days of said action.

### **E. Composition of Committee:** (see WAC 296-05-313)

Apprenticeship committees must be composed of an equal number of management and non-management representatives composed of at least four members but no more than twelve. If the committee does not indicate its definition of a quorum, the interpretation will be "50% plus 1" of the approved committee members.

Apprenticeship committees shall elect a chairperson and a secretary who shall be from opposite interest groups, i.e., chairperson-employers; secretary-employees, or

## **GRAND COULEE POWER OFFICE APPRENTICESHIP**

vice versa; EXCEPT, this does not apply where the Registration Agency represents the apprentice(s).

For plant programs the WSATC or the Department designee will act as the employee representative.

**The Grand Coulee Power Office Apprenticeship Committee shall be composed of twelve (12) members; six (6) members representing the "The United States Department of the Interior Bureau of Reclamation" and six (6) members representing the appropriate Union, selected by the groups they represent.**

**Quorum: For the purpose of the business of the Apprenticeship Committee a quorum will consist of a minimum of 50% of the members of the committee.**

Program type administered by the committee: **Individual Joint**

The employer representatives shall be: (Need to add addresses and who is the secretary and chair)
